Commissioner Jane Henney, M.D.
Food and Drug Admin.
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Commissioner Henney:

I urge that the FDA follow the European Union's lead and move immediately to ban animal uses of growth-promoting antibiotics used in human medicine. Sweden and Denmark, in particular, have shown clearly that reduction of antibiotics in livestock systems need not come at the expense of the livestock industry or consumer pocketbooks.

Thank you very much.

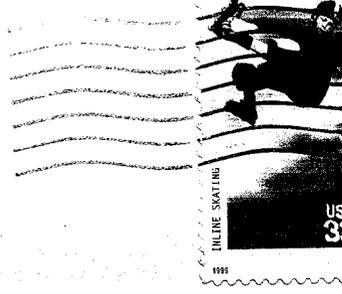

Sincerely,
Daniel Shively
